

October 13, 2025: On the Continuing Abuse the We Face From the USA and Donald Trump

I am writing to continue publicly recording the ongoing abuse that we face as Donald Trump continues to threaten our home with a parade of criminals that drive past our home as we work to enjoy our daily lives.

We are clearly being spied upon and there is an ongoing effort by cars outside of our home to engage with us in threatening and intimidating ways that prove the ongoing maliciousness of Donald Trump's war against our home.

I am publicly accusing Donald Trump of treason.

I have reported Donald Trump to the FBI, to the Texas Rangers, and to numerous congressional committees as well as the Governor of Texas and numerous Texas congressional committees as well.

I am writing publicly to inform the world that **Donald Trump has set about in his crazy drunken power to wage a war against my home to prove some form of domination over our house.**

Donald Trump began this war against our home as an effort to direct my words from criticism against him while he illegally spied over our house for years.

Donald Trump began damaging our property, and has refused to leave under all circumstances.

I am writing publicly to inform anyone that cares to look: **DONALD TRUMP IS A CRIMINAL THAT IS COMMITTING TREASON AND HE MUST BE HELD ACCOUNTABLE.**

I AM DOING MY BEST TO LIVE MY LIFE AND I ABSOLUTELY WILL BRING SUIT AGAINST HIM TO HOLD HIM ACCOUNTABLE FOR HIS ACTIONS.

DONALD'S TEAM IS ACTING AS IF THEY ARE A FORM OF TERMINATOR THAT CANNOT BE STOPPED IN THEIR ILLEGAL QUEST TO RULE OVER OUR HOME.

Donald: YOU ARE ROTTEN FILTH. YOU ARE THE EPITOME OF WHAT WE FIGHT AGAINST IN THE CORRUPTION THAT ROTS AWAY THE UNITED STATES.
FUCK YOU, OLD BITCH.

These messages are fun to their team. They do take joy in causing problems for those people that they were supposed to represent. Obviously, I can no longer support the United States of America while it is being used as a machine to wage a silent war against our home.
